

PATIENT FLOW LAS VEGAS 2019

SUMMIT

SEPTEMBER 16 - 19 | JW MARRIOTT LAS VEGAS

PRESENTED BY CENTRAL LOGIC

We are seeking dynamic, engaging, and knowledgeable presenters for the 2019 Patient Flow Summit presented by Central Logic.

AUDIENCE

The primary conference audience consists of multiple levels of health care professionals, from entry-level to senior level managers and corporate executives. Presentation content and instruction should be geared to a level that is appropriate for the target audience.

CRITERIA

Proposals are solicited for **60-minute** presentations that may be lecture, interactive, panel discussions or round table discussions. They should be dynamic, relevant and feature best practices in the health care patient flow area. The presentation timeframe will include introductions, presentation material, question and answer session, and evaluation.

Attendees should leave with specific knowledge and skills about various aspects of the topic and how it relates to their future development. Presentations should provide attendees with educational value and refrain from promoting a specific business, product, or service.

Suggested topics of proposals:

- Synchronization of services
- How to provide treatment in a timely and effective manner
- Value-Based Care
- Improving Patient Health outcomes
- Patient Flow Improvement Strategies
- Achieving hospital wide Patient Flow through the use of technology
- Efficiencies for online portal
- Telehealth strategies
- Eliminating back ups
- Eliminating boarding and overcrowding
- How to improve and create efficient scheduling
- Improved patient admission, transfers and discharge
- Strategies to improve handoff communication
- Optimizing the discharge process
- Organized surgical scheduling
- Transfer Centers

- Behavioral health transfers
- The high value of analytics and reporting
- Winning physicians and obtaining buy in

Command Center

- ED Flow
- Capacity Management
- Lean - Managing Variability
- LOS Optimization
- Pathways to financial health
- Discharge process reengineering
- Reducing readmissions
- Disaster Management and its impact on patient flow

If you have an industry topic that is leading edge and within the areas of focus but is not on the list above, we encourage you to submit your idea for special consideration.

SUBMISSION

The Patient Flow Summit team will approve or deny submissions by March 15, 2019. Presenters are encouraged to upload a photograph and a bio at the time abstracts are submitted. Bios are limited to a maximum of 100 words. The goal of the presenter bio is to provide us with a high-level view of your career and your major accomplishments. Presenter photo and bio will be included in Patient Flow Summit marketing materials and on the event website.

Bio Guidelines

- Full name, current job title and organization's name
- Description of your role in the organization and the products/services it provides
- Highlights from your career as it relates to your current position
- Degrees, certifications, awards, honors and authored publications

Photo Guidelines

- High resolution 300 dpi JPEG file
- Cropped head to shoulder in a medium close up shot

Company Logo Guidelines

- High resolution 300 dpi JPEG file
