Patient Flow Summit

Patient Flow Summit is two and a half days of in-depth learning and networking, designed to help you learn how to elevate your Transfer Center and evolve it to a Command Center. Through breakout sessions, panel discussions and hands-on learning opportunities, you'll discover innovative techniques to improve efficiency, optimize capacity, increase patient throughput, and grow revenue across your hospital system.

5 Reasons Why You Should Attend

- 1 GROW YOUR EXPERTISE**
Earn CNE hours by attending our educational breakout sessions, featuring industry experts and Transfer Center pros. You'll walk away with insights on operationalizing transfer center logistics to balance patient care and growth.
- 2 HEAR INDUSTRY UPDATES & TRENDS**
Gain actionable takeaways from our Signature Sessions, featuring top healthcare influencers, that will give you a renewed sense of how to enhance patient, physician and staff experience.
- 3 EXPERIENCE A LIVE COMMAND CENTER**
Get a real life view of a functioning Command Center to learn how to turn your Transfer Center into an organizational hub. Also, see live product demonstrations from industry pros.

- 4 NETWORK WITH INDUSTRY EXPERTS AND PEERS**
Share best practices and lessons learned with your peers and speak with experts about operations, finances and the heart behind successful transfer operations during multiple networking opportunities, including:

- **Welcome Reception:** Kick the event off with a bang at our Monday evening Welcome Reception. We'll get together for an evening of heavy hors d'oeuvres, drinks and conversation before diving into a full day of learning.
- **Networking Reception:** Get valuable facetime with industry experts, peers, and mingle with our conference sponsors during a reception dedicated to networking. Light appetizers and drinks will be served.
- **Attendee Appreciation Party:** It's time to honor you, our valued attendee! Our last night together will be a celebration complete with dinner, drinks and entertainment.
